NEW! IP-A1SC15

TOA's new IP Horn Speaker enables the integration of Video and Audio Systems to help you respond immediately to an emergency situation by means of a live announcement.

This unit allows the user to communicate with those that are under CCTV camera surveillance and enables the user to remotely address the situation in real-time.

The IP-A1SC15, with built-in amplifier, supports various industrial network protocols and has four different audio broadcasting modes to seamlessly integrate audio

endpoint devices into your preferred Video Management System (VMS).

Prioritize network announcements and pre-recorded messages over SIP or common protocol for IP cameras with intuitive browser software.

The unit offers sensitive volume control via Remote API, allowing for volume adjustments in different environments and changes in real-time as and when required.

KEY FEATURES:

- 🔊 Maximum Sound Pressure Level: 124dB @ rated power output of 15W powered by PoE+
- 🔊 Operating Temperature: -30 °C to +55 °C
- 🔊 IP66 Rating for Outdoor Environments
- 🔊 Pairing of Camera and IP-A1SC15 is enabled via your preferred VMS (Video Management Software)
- 🔊 Broadcasting mode options: SIP, Multicast, VMS and Internal Message Broadcasting Modes
- 🔊 Group paging function is available with 10 Multicast ports for zone paging requirements
- 🔊 Storage for up to 20 Pre-Recorded Messages in WAV or MP3 format (Maximum capacity of 80MB)
- 🔊 Manage Audio Files via browser setting – no dedicated software required
- 🔊 Individual volume adjustment for each audio source in different environments
- 🔊 Triggers: Remote API Protocol (HTTP) and 2 x Contact Inputs on the unit
- 🔊 PC Requirements: OS – Windows 10 Pro / Home (64-bit); Browser – Google Chrome or Microsoft Edge

3RD PARTY PRODUCT FOCUS: AKUVOX SMART INTERCOM

In 2020, TOA Electronics Southern Africa were awarded the Distributorship for Akuvox's range of Smart Intercom Systems in South Africa and Sub-Saharan Africa. Since the inception of the partnership, the demand for Akuvox's range in South Africa and Sub-Saharan Africa has boomed. As a result, many large and well-known organisations within South Africa have standardised on Akuvox as their preferred brand of choice.

Akuvox is a global leading provider of Smart Intercom products and solutions, including Doorphones, Indoor Monitors, Android Video Phones & IP Phones for Residential, Commercial, Healthcare and Public Space Applications. Their products encompass artificial intelligence, SIP, Android, Cloud, Security and other advanced technologies.

INDIVIDUAL SYSTEM FEATURES INCLUDE:

- 🔊 Mask Detection
- 🔊 Facial Recognition
- 🔊 Easy-to-use Intercom Application
- 🔊 Offline Voice Control
- 🔊 Starlight Camera Technology
- 🔊 Thermal Imaging
- 🔊 CCTV Integration
- 🔊 Fall Detection (Healthcare / Elderly Care)
- 🔊 ONVIF Enabled & works with Alexa
- 🔊 Akuvox Technology Partners: Aarenet, Asterisk, BroadSoft, Control4, Core Smart Home, Crestron, Elastix, Epygi, FIBARO, Genetec, iRidium, LifeSmart, Merlin Yazilim, Milestone, Parsec, Patton, RingCentral, RTI, Savant, SnapAV, STAR-NET, Vanderbilt, Vodia, Xorcom, Yeastar, Zipato, ZKTeco & ZYCOO.

SYSTEM APPLICATIONS:

- 🔊 Residential: Integrate with smart home automation and control systems / CCTV; control elevator; remote door unlocking; alarm push notifications.
- 🔊 Commercial: Access control options: facial, NFC, RF and PIN; integrate telephone / CCTV / time & attendance.
- 🔊 Assisted Care / Hospital: User-friendly system specifically designed for elderly; transmit SOS messages; telecare pendant for SOS / remote access control via RF; connect alarm sensors such as door magnet / smoke detection.
- 🔊 Public Space: premium speech quality in any situation; vandal-resistant body (IK10 rating); integrate CCTV; direct communication line with emergency centres / patrol security.

FESTIVE GREETINGS FROM TSA

The TSA Team would like to take this opportunity to thank our
Partners in Sound
for their continued support throughout the year.

2020 has presented all of us with unprecedented challenges
which has forced us to reassess and adjust our thinking and make changes for the better.

The TSA Team wish you and your loved ones a joyful, safe and restful Festive Season.

May 2021 be filled with peace, good health and prosperity.
